STEPS TO A SUCCESSFUL CAMPAIGN

PREPARE

Set campaign dates. Allow plenty of time to create strategic messaging and to get your online donation portal set up, or method of donation collection.

Set a campaign goal that your team and employees can rally behind.

Set key points for distributing company-wide messaging, ie; announcement of the campaign, launch day, mid-campaign, final push and thank you.

EXECUTE

Use your planned messaging to launch the campaign. Consider using video or emails messages from your organization's leadership to encourage donating.

Send messaging throughout the campaign on a company-wide level.

Run team challenges to encourage participation. Example; The team or business unit with the highest participation wins lunch with the CEO or other company leaders.

WRAP UP

Finalize campaign results with your online giving platform, or submit results to Unite Way. Submit payroll deduction information to your HR or payroll department. Cash and check donations can be mailed to United Way.

Send a thank you to the entire company.

MAKE IT S.O.C.I.A.L.
